

# **Village of Delhi**

## **Public Parking Lot Permit**

### **Terms and Conditions**

These permits are only available to building owners on Main Street from Court Street to Kingston Street and the buildings on Court Street. They are available **only** for those buildings that have residential units above retail space and that do not have any off-street or alternate parking for their residential tenants. **The building must have a rental registration completed and fire safety inspection on file with the Village before any permit will be issued.**

Depending on availability, owners within the district mentioned above may lease a designated 24-hour parking spot in the Village Parking lot, entering from Kingston Street. **Apartments must be rented within 90 days of an approved application and are for permanent residents only. At this time only one spot will be allowed for each building.**

The permit will be issued by the Village Clerk and must always be displayed in the vehicle while in the designated space. Failure to do so could result in a parking ticket. The monthly fee of \$50.00 is due by the first of every month to the Village Clerk. Prepayment for 6 months will also be accepted

#### **Snow Removal Policy**

This policy requires the permit holder to move to one of the plowed spots in the lot by 8:00 am to allow the Village Street Department to plow the designated permit holders parking spaces. The permit holder can then move back to their designated spot. If this is a storm which continues over a period of time the permit holder may need to do this a few times during the day. Failure to follow the snow removal policy may result in the Village revoking the permit. In this case no refund of the lot fees paid will be refunded.

Proposed spaces for lease for the Main Street and Court Street residential rental properties, are those which face Main Street next to the handicap spot and will be labeled accordingly. Each permit holder will have a designated parking space.

#### **Termination of Service**

In its sole and absolute discretion and without prior notice, the Village reserves the right to terminate the permit holder's account or otherwise limit the permit holder's use of the Parking Permit for any reason including but not limited to any violation of the policies set forth in this application, as the Village may determine.

#### **Liability**

The Village of Delhi accepts no liability for any damage or loss sustained by users of the Village Parking Lot. All such risk is assumed by the permit holder.
